HOW DO I LOG IN?

Open the web browser on your device and type in the URL link below:

<https://monroek12.schoolsplp.com>

A screenshot of the login page for the Monroe County Board of Education Personalized Learning Platform. The page has a dark blue background. At the top center is the Monroe County Board of Education logo. Below the logo, the text "Monroe County Board of Education" is displayed in white, with "Personalized Learning Platform" underneath it. There are two input fields: "Username:" and "Password:". Below the password field is a "Log In" button and a radio button labeled "Log in as Parent".

Student Username:

firstname.lastname@monroestu.k12.al.us

Student Password:

Individual Student S Number. This number can be found on your student's report card and schedule. If you need help with this number, please contact your child's teacher.

Parent Login:

Select the box that states "Log in as parent"

WHAT DO I DO IF I DON'T HAVE A DEVICE OR INTERNET?

Devices:

Devices were handed out on August 11 and 12 at the school. If you did not pick-up a device, you will need to schedule an appointment with the school to pick-up a device. Parent and student must be present for a device to be checked-out.

Hotspot

If you do not have reliable internet at home, be aware that all Monroe County school parking lots are hotspots. If you have a school Chromebook or a personal device, you have access to our network. Please note that all activity on the school network and school devices is monitored by administration and Go Guardian.

When more hotspots become available, we will let everyone know.

SCHOOLS PLP

HOW DO I CONNECT TO THE WIFI AT A HOTSPOT?

School issued Devices:

All school- issued devices should automatically connect to the wifi at a hotspot. If they do not, follow the steps for using a personal device.

Personal Devices

Connect your device to MCSS_Students. Your device should ask you to sign in to use the network. If not, just open the web browser and navigate to any page. You will be redirected to a sign in.

You should sign in using your student email account and password.
